

CALL FOR PAPERS

Conference on Geoinformation 2025

Three Geoconferences in one place join for supporting the Sendai Framework for Disaster Risk Reduction and the Sustainable Development Goals

November, 24-28, 2025 - Mérida, Yucatán, México

<https://www.selper.org.mx/conference-on-geoinformation-2025/>

PAPER SUBMISSION

Abstract and full paper submissions will be handled electronically via the conference's **ConfTool Website**. These should be prepared according to the ISPRS guidelines.

The guidelines for authors preparing an abstract and a full paper in pdf format are given in the ISPRS Orange book link: www.isprs.org/documents/orangebook/app5.aspx

REGISTRATION

Registrations in the ConfTool Website are now open at (registration for abstracts or full papers):

<https://www.conftool.org/geoinformation2025/>

The academic peer review process (double-blind per review) will be carried out by evaluating the extended abstracts submitted by the scientific committee composed of international experts. Experts will be responsible for reviewing the submitted extended abstracts and selecting full papers (accepted as oral and/or poster presentations) to be presented at proposed technical sessions.

All accepted and fully submitted papers during the Conference will be published in the *ISPRS Annals of the Photogrammetry, Remote Sensing and Spatial Information Sciences* (ISPRS Annals). The ISPRS Annals are listed in the ISI Conference Proceedings Citation Index (CPCI) of the Web of Science, SCOPUS, the E/I Compendex, and the Directory of Open Access Journals (DOAJ).

The Annals contain manuscripts accepted after a double-blind peer-review of a full paper (8 pages), while the Archives contain manuscripts accepted based on submitted abstracts (6 pages). All submitted works must be in English.

There will be one only registration fee for members or no members.

PROCEEDINGS

Accepted papers will be published in the *ISPRS Annals of the Photogrammetry, Remote Sensing and Spatial Information Sciences* (<https://www.isprs.org/publications/annals.aspx>).

All submitted abstracts will be published in *The International Archives of the Photogrammetry, Remote Sensing and Spatial Information Sciences* (<https://www.isprs.org/publications/archives.aspx>).

IMPORTANT DATES

Call for papers: March 17, 2025

Paper submission deadline (ISPRS and Investigaciones Geográficas UNAM): October 20, 2025

Notification of acceptance: From September 10, 2025

Submission of final paper: November 01, 2025
