

CALL FOR PAPERS

Conference on Geoinformation 2025

Three Geoconferences in one place join for supporting the Sendai Framework for Disaster Risk Reduction and the Sustainable Development Goals

November 24-28, 2025 - Mérida, Yucatán, México

<https://www.selper.org.mx/conference-on-geoinformation-2025/>

You are cordially invited to participate in the Conference on Geoinformation 2025. This event is unique in the region and internationally as it will host three conferences:

- 16th Geoinformation for Disaster Management (Gi4DM, <https://gi4dm.net/>),
- XXVI National Congress SELPER México, <https://www.selper.org.mx/>
- XI SELPER Educational Workshops of Central America and the Caribbean.

The Conference on Geoinformation aims to connect researchers and professionals of three conferences to exchange experience and knowledge on advancements of geospatial technologies through exciting multidisciplinary presentations, interactive sessions and forums. Please visit the web site of the conference for topics and further details: <https://www.selper.org.mx/conference-on-geoinformation-2025/>

PAPER SUBMISSION

You are invited to submit your contributions as full paper or extended abstract via the conference's **ConfTool submission system**. These should be prepared according to the ISPRS guidelines: www.isprs.org/documents/orangebook/app5.aspx

Submitted extended abstracts and full papers will be double-blind reviewed by the International Scientific Committee

Accepted full papers (min 6 - max 8 pages) will be published in the ISPRS Annals (full paper double-blind peer review). Papers not accepted for ISPRS Annals might be considered for the ISPRS Archives.

Accepted extended abstracts (2 pages) will be requested to submit a camera-ready paper (min 6 - max 8 pages) and will be published in the ISPRS Archives (abstract double-blind peer review). The extended abstracts on their own will not be published.

PROCEEDINGS

All accepted papers in **English** will be published in the ISPRS proceedings. The ISPRS Annals and Archives are series of peer-reviewed proceedings published by the International Society of Photogrammetry and Remote Sensing (ISPRS). They are listed in the ISI Conference Proceedings Citation Index (CPCI) of the Web of Science, SCOPUS, the E/I Compendex, and the Directory of Open Access Journals (DOAJ), and are available on-line:

ISPRS Annals: <https://www.isprs.org/publications/annals.aspx>

ISPRS Archives: <https://www.isprs.org/publications/archives.aspx>

If you prefer to publish in **Spanish** or **Portuguese**, you have the option of SELPER proceedings with abstracts, or extended papers (6-8 pages) that will be double-blind peer review and submitted to a Latin American specialized Journal. The SELPER proceedings will include English abstracts as well.

IMPORTANT DATES

Call for papers: March 17, 2025

Full paper submission deadline (ISPRS and Investigaciones Geográficas UNAM): July 15, 2025

Extended abstract submission deadline: July 15, 2025

Full paper Author notification: From July 15, 2025

Camera ready papers submission: September 15, 2025
